Remember we use the best repair material that money can buy in our vulcanizing department, and no labor or expense is spared in turning out the best possible work known to the art of pneumatic casing repair. When you have a blow out, or break in your tire fabric, do not try to hold it with bolts or rivets. Have it properly vulcanized, which will prevent any further breaking in the fabric, and make the damaged section as good as new.

Nevada News in Briefest Shape

C. S. Norris, of subterranean lake fame in Quinn River valley, has with his partner made a "ten strike" in the old diggings at Placerville, California. The partners recently shipped a good sized brick to the smelter, Silver State.

Salgado, the Mexican who is in the condemned cell at the prison awaiting the hour when he is to be taken out and shot, has received a longer lease of life, as his attorneys have petitioned the supreme court for a rehearing in his case. So many matters preceded the case just filed that it is thought it will be several months before the matter will be brought up by the court.

To Nevada goes the credit of being the first state to complete the

NEW MACHINERY FOR AURORA MILL

The mines and the mill of the Aurora Consolidated Mines company have closed down only temporarily, George Wingfield, president of the corporation, said yesterday. The policy of the officials of the Goldfield Consolidated, which controls the Aurora Mines company, is one of economy, he explained, and this is the reason, says the Gazette.

"The filters placed in the mill were found to be not economical," said Mr. Wingfield. "They were installed before the Goldfield Consolidated purchased the mine and after a thorough trying out it was demonstrated that they were not practical. It was decided, therefore, to close the mine and the mill and replace these filters with

installation of its agricultural exhibit in the palace of agriculture at the exposition. The exhibit was collected under the direction of Charles S. Knight, dean of the department of agriculture at the university of Nevada, and has been installed by Lloyd S. Patrick, a Nevanan.

Notice to Mining Corporations

Foreign corporations doing business in Nevada should heed the fact that their annual statements must be published before April 1. The following law applies to the publication:

Section 1. All foreign corporations doing business in the state of Nevada shall, not later than the month of March each year, beginning in the year 1914, publish a statement of their last year's business in some newspaper published in the state of Nevada. If published in a daily newspaper, such statement shall be published for a period of one week, or if published in a semi-weekly or tri-weekly newspaper, for a period of two weeks, or if published in a weekly newspaper for a period of four weeks.

Section 2. The secretary of the company publishing the statement shall file a copy with the several assessors of the state of Nevada.

Secretaries are urged to send in statements by return mail.
